V A L M O R I

Con l'introduzione del nuovo Brand "Valmori Home", abbiamo deciso di valorizzare gli elementi di design presenti all'interno dei brand: "Valmori Ceramica Design" (materiale ceramico) e "Riflessi by Valmori" (lastre di pietra naturale); creando un unico "contenitore" capace di convogliare questi 2 progetti e realizzando articoli di design per la casa, per ambienti esterni/giardinaggio, hotellerie, ambienti commerciali, ristoranti, caffetterie etc.

L'obiettivo di questo nuovo progetto è poter entrare ancora più in contatto con il mondo del design dedicato a professionisti ed operatori che si occupano di oggettistica ed arredo.

In questo modo, vogliamo offrire loro la possibilità di avere a disposizione, in un unico gruppo, progetti e prodotti di design per la casa di diversi e svariati materiali.

Releasing the new brand "Valmori Home", we would like to enhance more for the quality furnishing accessories that are into the brands "Valmori Ceramica Design" (traditional ceramic sizes) and "Riflessi by Valmori" (natural stones slabs); we are planning to create an original concept able to join these two projects realizing premium designed objects for living, gardening, commercial and residential ambients, hotels, restaurants objects.

In this way we would suggest our costumers the chance to have original and premium accessories to complete the range of covering items we are proposing with the other brands.
